## Day Three

### Match Highlights

#### Traralgon vs. Alice Springs

Overnight rained delayed the start of this match but once the field was declared safe for play, Alice Springs won the toss and elected to bat. Due to the heavy outfield scoring runs was very difficult and Alice Springs were 1-17 in the 17<sup>th</sup> over. Traralgon maintained a stranglehold on Alice Springs and when opening batsman Liam Miller was dismissed for 15 in the 20<sup>th</sup> over, the locals upped the ante. Eventually, Alice Springs found themselves in serious trouble at 5-25 as Issac Brown (3-16), Liam Little (3-1) and Ewan Williams (2-6) were able to take control with the ball and dismiss them for 65.

Lachlan Patterson (21) and Josh Meyer (15 not out) were able to steer Traralgon to 0-42 before two quick wickets fell. Nathan Harrup joined Meyer at the crease to help Traralgon surpass their target.

#### Bendigo vs. Woodlawn

Woodlawn's innings was not received but they were able to amass a solid total of 9-184 at the picturesque surrounds of Yinnar.

Bendigo suffered the early loss of wickets which found it difficult to amount any pressure on the boys from St. John's College. At 6-64, Bendigo were looking at being dismissed very cheaply before Ethan Roberts (32) dug in with a 28-run partnership with Luke Stagg (16) to maintain some hope.

However, Josh Healy's efforts with the ball in capturing 5-19 off 10 overs was outstanding and helped Woodlawn secure their third straight win of the carnival.

#### Adelaide vs. Newcastle

A solid knock of 58 by opener William Davis prevented Newcastle's innings from being a complete disaster as his ability to dig in and stay focussed was vital in reaching a three-figure total. Joseph Fowler (11) and Lawson Castle (10) were able to offer some resistance as well in pushing Newcastle's total to 113. Ethan Baxter (3-12), James Boyer (2-40) and Patrick Cormican (2-7) were the pick of the bowlers. Despite two early wickets falling, which saw Adelaide at 2-10, Sacred Heart College were able to chase down Newcastle's score with a minimum of fuss as Mitchell Black (28) and Xavier Chalkley (54) did the bulk of the scoring. Adelaide passed Newcastle's total with the loss of four wickets with Aidan Galvin the main bowler with the figures of 2-16 off 10 overs.

#### Shepparton vs. Bunbury

Bunbury suffered the loss of two early wickets and they continued to fall at regular intervals after that moment. Cole Sawyer (22) and Jared Carbone (19) were able to contribute to their run tally before Shepparton dismissed Bunbury for the 93 run total. Brad Thompson amassed the figures of 3-11 from six overs while Thomas Rooney and Jonah Whitelum each snared two wickets.

Shepparton's run chase didn't go to plan as the Louis Mazza-led Bunbury attack saw Shepparton at 5-39 before rain halted play.

Lewis Camm would steer Adelaide to victory with a well-constructed 35 not out as the Duckworth-Lewis method was utilised to determine the winner.
