# Lavalla Catholic College

16 May 2003

Dear Parents,

Within a College, there are a number of activities which are of significance to the whole school community. It is through such days as awards ceremonies sports carnivals, Champagnat Day and liturgies that these values of the College can be imparted in a powerful way. At such ceremonies all students have the opportunity to see and affirm others, and to learn something of the values of the College. There are opportunities to see and hear about other students. These are means by which we can develop well-rounded individuals who fulfil their personal as well as academic potential.

However some students have chosen to be absent on these days and I think I could be forgiven in thinking there is such a thing as a one-day epidemic, given the number of parents indicating that their son/daughter are taken suddenly ill on these days.

So please be alert to these days and I ask for your assistance in helping students to recognize that these days are an important part of the College programme and our expectation is that students be present.

Br Julian Casey  
Principal

## ST PAUL'S CAMPUS

### Thanks

As this is a time set aside to acknowledge volunteers; our sincere appreciation goes out to all those who volunteer: altar servers, home visitors, St Vinny's members, SRC, parent helpers, youth leaders, mass readers and the many others who make Australia and our community richer for their contribution.

My particular thanks to our Campus leaders and SRC reps who have been so generous in the time they have given to Information Night and Open Day.

Thanks also to the parents who attended the Open Day. It was wonderful to have the opportunity to show you the campus again and for your child to know how much you value their education.

### Campus Athletics

We will be holding our Athletics Carnival on Tuesday 20<sup>th</sup> at Davidson Street, and should be there from approx 9:30 – 3:00. All students have been given a permission form, this must be returned to the Office before they can be transported to the venue. This is a day to build school spirit and all students are expected to attend. Each one of them has a valuable contribution to make as a competitor or spectator. Please feel free to join us for the day or to pop down during your lunch break.

### Uniform

It is our usual practice to allow a 2 week change over of uniform at the beginning of Terms 2 and 4 when we change seasons. After that time all students must be in the appropriate uniform. Most students have been terrific at following this and they look very well groomed. However, it is not acceptable for a student to be out of the required uniform and those few who are will be asked to arrange to change on the day or to have a detention.

### Tamboritha

Out thanks to the staff, parents, students and Committee members who made these camps such a great experience. 9.5 – 9.8 will have their opportunities to attend camps in Term 4.

### Enrolments

Please remember that enrolments for Yr 7 close at the end of the month, May 30<sup>th</sup>. Any student wishing to attend Lavalla next year must be enrolled by this date.
